

PRIOR TO PROGRAM

YOU

YOUR brain got changed through their
repetitious behavior.

- Arguing
- Talking back
- Constant asking
- Demanding their way
- Pushing boundaries
- More

They won't let you be in charge and
you are tired.

YOUR KIDS

THEIR brain got changed through their
repetitious behavior.

- Arguing
- Talking back
- Constant asking
- Demanding their way
- Pushing boundaries
- More

They are in charge and happy about it.
It will take time for their brains to
change.

YOUR FFP TEAM

There is hope.

We have the tools.

We understand challenging kids.

We will guide you.

But you must choose to partner with us
for change for your family.

1 - 90 DAYS OF FFP

YOU

You CHOOSE and practice FFP

- Be a solid object
- Use the mantras
- Work on their goals
- Choose hope
- Practice safety
- Choose confidence
- Help change their brains through repetition

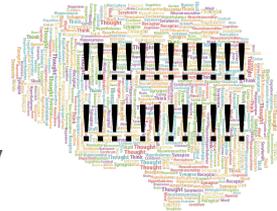

You are tired--because repetition is hard work. But you are back in charge!

YOUR KIDS

They don't want FFP

- Angry
- Try same tactics
- Push you harder
- Resist in every way

Kids are unhappy.

YOUR FFP TEAM

We guide

We help you look for old patterns so you can be a strong, consistent, solid object.

We encourage you to keep using the skills over and over.

We believe that if you do this, you will have safety, hope, and confidence.

AT 90 DAYS

YOU

YOUR brain is changing

- 90 days of repetition
- You are a solid object
- You have more peace
- You have safety
- You keep doing the same things for positive change

You are in charge and know that you have the tools you need to continue with safety, hope, and confidence.

YOUR KIDS

THEIR brain IS changing even if it doesn't always seem that way

- Still not happy you changed
- Keep pushing boundaries
- Keep trying old tactics
- Will likely always struggle in some ways

- Have skills to calm
- Have new social language skills
- Have skills to connect

YOUR FFP TEAM

Successful completion of the program looks like this:

You are in control.

You know how to keep your family safe.

You have hope for a better future for your family as a whole.

You have confidence in knowing you have the tools to use no matter what new (or old) thing they throw at you.

YOUR FUTURE

YOU

YOUR brain has changed

- Confidence
- Peaceful
- Repetition of skills
is your new mantra

YOUR KIDS

THEIR brain continues to change

- They have new skills:
- calming
- social language
- connecting

YOUR FFP TEAM

KEEP repeating the tools -
your key for long-term
change
